

Town of Mamaroneck

740 West Boston Post Road

Nancy Seligson, Town Supervisor

July Email Newsletter

Dear Residents:

Your Town government is continuing to work hard to improve how we communicate with you. This past spring, residents received in the mail a newsletter from my office, the first of two mailed newsletters per year. In addition to communicating via the mailed newsletter, each month I will be updating you with an *emailed* newsletter.

I'm happy to announce that our new website, www.townofmamaroneckny.org is up and running and it looks great! We are very pleased with the improved visual quality of the site, but more importantly the ease with which you can now find information. Please let us know what you think about it and if there are further improvements you think should be made. You can sign up for this monthly emailed newsletter and other items which may be of interest – calendar notices, agendas for various committee and board meetings and much more -- by going to <http://www.townofmamaroneckny.org/list.aspx>.

Please sign up for the Town's new emergency notification program called Swift 911. You can go to the website and click on the icon for it, or you can use your cell phone by messaging to 99538 and texting swift 911 in the message.

We announce the introduction of the Town's general government Facebook page at www.facebook.com/townofmamaroneckny. Please "LIKE" it to keep up on daily Town news. Please read on for other news in the Town. Thank you.

Nancy Seligson
Town Supervisor

Town Photos

(Photos 1 and 2) Town of Mamaroneck Arborist Esteban Nava creates works of art from local wood when a tree has to be removed; yet another way the Town “recycles.”

(Photo 3) This year’s Town Conservation Crew relaxing for a few minutes in between trail maintenance work.

(Photo 4) On a beautiful summer evening, the Town kicked off its summer concert series at Memorial Park with the band “Alive N Kickin.” The Town’s Sustainability Collaborative helped residents sort their trash into appropriate barrels to create a “zero waste concert.”

Reminder

Just a quick reminder that gas powered leaf blowers are banned in the Town of Mamaroneck between June 1st and September 30th. Please put your leaf blowers away for the season and make sure your landscaper or gardener is aware of the law.

Dates you should know

- Town of Mamaroneck Summer Concerts continue for three more Monday nights. Bring the family, friends, a blanket or chairs, and a picnic dinner or purchase dinner from the caterer. Concerts begin at 7pm and last until dark. The schedule is noted below:

July 18 th	The Kathy Thompson Band
July 25 th	FDR Drive Band
August 1 st	The Thornwoods

- During the summer, the Town Board Meetings will be held on Mondays and will begin at 5:00pm. The meetings are open to the public and dates are as follows:

July 18th
August 8th

- Planned roadwork resurfacing on select Town streets has begun. If the resurfacing affects your street, you should have received a letter in the mail. If you have questions about the scheduled work, please contact the Town Engineer or Highway Superintendent at (914) 381-7825. Thank you for your patience as we improve our roads.

See you next month!
