

**Extension of the Suspension of Certain Local Laws during the
Town of Mamaroneck's State of Emergency due to COVID-19**

Whereas, acting pursuant to section 24 of the New York State Executive Law, I, Nancy Seligson, Supervisor of the Town of Mamaroneck, declared a state of emergency in the Town of Mamaroneck effective March 16, 2020 at 12:15 pm (prevailing time) (see attached copy of the declaration), and

Whereas, that state of emergency remains in effect, and

Whereas, pursuant to the declaration, I ordered that

- The provisions contained in sections 219-20 and 219-22 of the Code of the Town of Mamaroneck that prohibit parking on the streets and at the times mentioned on the attached sheet be suspended.
- Section 106-58.1 of the Code of the Town of Mamaroneck that allows for the removal of rock by mechanical means be suspended, and that the removal of rock by mechanical means not be allowed.
- Section 141-12 B of the Code of the Town of Mamaroneck be modified by prohibiting the use of gasoline powered leaf blowers starting April 1, 2020, instead of June 1, 2020, and

Whereas, the conditions that led to my declaring a state of emergency have not changed in that the COVID-19 virus remains a threat to the health and welfare of the public, and

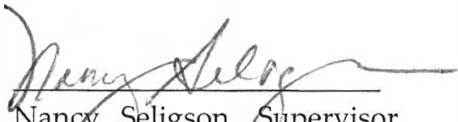

Whereas, I determine that continuing the aforementioned suspensions and modification is in the public interest.

Now, therefore, I, acting as the Supervisor of the Town of Mamaroneck, extend the aforementioned suspension and modification of the laws specified above, to wit:

- I suspend the prohibition on parking contained in sections 219-20 and 219-22 of the Code of the Town of Mamaroneck but only on the streets and at the times mentioned on the attached sheet.
- I suspend section 106-58.1 of the Code of the Town of Mamaroneck and order that rock removal by mechanical means not be allowed.
- I modify section 141-12 B of the Code of the Town of Mamaroneck to prohibit the use of gasoline powered leaf blowers starting April 1, 2020, instead of June 1, 2020.
- I modify section 106-42- Amend Section 106-42 of the Town Code to allow the extension of building permits that have expired since March 1, 2020 to June 30,2020. This action is necessary in view of the current ban on most construction due to the COVAD-19 crisis

The suspensions and modification mentioned above shall be effective on April 14, 2020 at 12:01 am (prevailing time) and shall continue until April 16, 2020 at 12:15 pm (prevailing time).
