9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Town of Mamaroneck PHA has an active waiting list of 1056 applicants as of July 31, 2012: 687 are families with children; 34 are elderly families; 134 are families where the head of household or spouse is a person with a disability; 917 applicants are extremely low income; 94 are very low income. Of those applicants who have self-identified, 33% represent various racial and ethnic groups.</p> <p>Based on the Westchester County Urban County Consortium Consolidated Plan 2009-2013, the Town of Mamaroneck has identified the following issues that impact housing in our jurisdiction:</p> <ol style="list-style-type: none"> 1. The high cost of rental housing within the Town of Mamaroneck's jurisdiction makes housing unaffordable for families earning less than 50% of the median income. Within the Town of Mamaroneck's jurisdiction the average rent for a one bedroom can be as high as \$1,500 or more. With affordability defined as paying no more than 30% of one's income for rent, the average rent for a one bedroom apartment of \$1,385 requires an annual income of \$60,000. Elderly families on a fixed income, people with disabilities and very low income families cannot afford the cost of housing without some form of rental assistance. 2. Many of the more affordable rental units in jurisdiction were lost as a result of a federally-declared disaster following a major flood in April 2007, forcing many families to relocate. As these damaged rental units have been restored, the rental cost has increased accordingly, making those units unaffordable to many low income families. 3. The preponderance of rental housing in the Town of Mamaroneck consists of one and two bedroom apartments. Three bedroom units that would accommodate larger families are very limited, or only available in single or two family homes. Rents in these units are generally much higher, and tenants often are required to pay for all of the utility costs including heat, making these units unaffordable as well. 4. There are a limited number of rental units that are wheelchair/handicapped accessible, making it difficult for people with disabilities and the elderly to live in this jurisdiction. <p>The Town of Mamaroneck PHA was recently selected by HUD to consider participating in the Small Area Fair Market Rent (SAFMR) demonstration program. The purpose of this program is to evaluation the project's effectiveness in meeting the primary goal of improving tenants' housing choices in areas of opportunity while also assessing the impact on tenants in areas with SAFMRs below the metropolitan-wide FMR, and to aid HUD in understanding and evaluating the administrative and budget impact of converting and operating the tenant-based voucher program using SAFMRs. The Town is interested in participating in this demonstration program as it is the Town of Mamaroneck PHA's belief that this project will expand opportunities for Voucher program participants to reside in "neighborhoods of opportunity where jobs, transportation and educational opportunities exist," consistent with the mission of the Town of Mamaroneck PHA mission to enable families whose income is at or below 50% of the median income of Westchester County based on family size to live in decent, safe and affordable housing within our jurisdiction and surrounding communities.</p>

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>Not applicable to this year’s Annual Plan.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>Goals set forth in the most recent 5 Year Plan</p> <ol style="list-style-type: none"> 1. Maintain an open waiting list to receive applications for the Housing Choice Voucher Program from families who qualify in accordance with the Town’s mission and priorities, including giving preference on the waiting list to victims of domestic violence, dating violence and stalking. <p>Outcome: Sixty-four new applications were received between 1/1/2012 and 7/31/2012 consisting of 26 families with children, 10 elderly families and 34 disabled families. Among those applicants receiving preference are 17 families who have been victims of domestic violence.</p> <ol style="list-style-type: none"> 2. Assist families receiving assistance to access housing in low impact areas. <p>Outcome: Eleven new households received assistance between 1/1/12 and 7/31/12. Eight were able to secure housing in low impact areas within the Town's jurisdiction. Three chose to live near family or work, in other jurisdictions.</p> <ol style="list-style-type: none"> 3. Maximize utilization of available housing assistance payment funds by ensuring that all families are housed in the appropriate size units that are under contract for a reasonable rent, are reporting all sources of income to the PHA as required, and are paying the appropriate share of the rent. <p>Outcome: The Town of Mamaroneck reviewed unit sizes, evaluated contract rents and executed and enforced repayment agreements. The Town has collected \$18,584 in repayments through July 31, 2012.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>The Town of Mamaroneck PHA will consider major changes in HUD funding levels that impact the operations of the program as requiring a significant amendment or modification to the annual plan.</p> <p>The Town of Mamaroneck PHA will consider the reordering of preferences, other than those that may be mandated by HUD and do not require a public hearing, as a substantial deviation from the 5-year plan.</p> <p>There have been no significant amendments or substantial deviations or modifications of the PHA plan.</p>
